Reading books that take the time to go in-depth can be a very positive way to understand if you're experiencing abuse and understand your abuser's behavior. Here are our recommended reads.

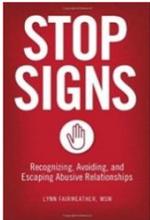

[*When Love Goes Wrong: What to Do When You Can't Do Anything Right*](#). Too many women find themselves with abusive partners and don't know what to do, or even what's wrong. They may feel anxious, inadequate and intimidated, like they are walking on eggshells, and find themselves trying harder without success. The authors bring their experience with survivors to offer an eye-opening analysis of controlling partners and empowering information for women seeking change.

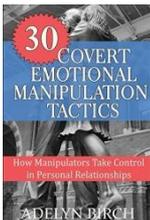

[*The Verbally Abusive Relationship: How to Recognize It and How to Respond*](#). Learn why verbal abuse is more widespread than ever, how to recognize and deal with it safely, and most important, how to lead a happier, healthier life.

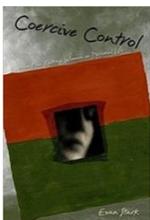

[*No Visible Wounds: Identifying Non-Physical Abuse of Women by Their Men*](#). Does your partner become jealous, prevent you from seeing friends, deny you access to bank accounts, credit cards or the car, call you derogatory names, humiliate you in front of the kids or turn minor incidents into major arguments? If you answer “yes” to any of these questions, chances are you are suffering from nonphysical battering, controlling, tyrannical behavior that is domestic violence.

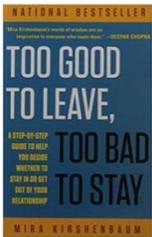

[*Stop Signs: Recognizing, Avoiding, and Escaping Abusive Relationships*](#). This book familiarizes readers with intimate partner violence and explains how to develop self-esteem, preparation and assertive awareness that can protect them from involvement with abusive individuals. It explores the minds of abusers, explains visible signs of danger in their attitudes and actions, and provides effective strategies for safe extraction when involved with an abuser.

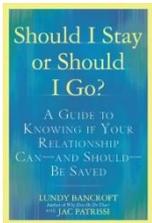

[*30 Covert Manipulation Tactics: How Manipulators Take Control in Personal Relationships*](#). Learn the manipulator's game so they can't play it with you. Identifying covert manipulation is tricky. This short, but powerful, 33-page book will teach you how to identify the 30 tactics manipulators use to get what they want. You'll also learn to spot that warning signs within yourself that expose covert manipulation is taking place, even if you can't identify the specific tactics being used.

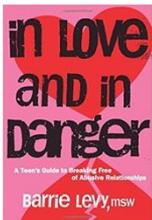

[*Coercive Control: How Men Entrap Women In Personal Life*](#). Studies show that most abused women seek help because their rights and liberties have been jeopardized, not because they have been injured. The coercive control model resolves three perplexing challenges posed by abuse: why these relationships endure, why abused women develop a profile of problems seen among no other group of assault victims and why the legal system has failed to win them justice.

[*Too Good to Leave, Too Bad to Stay: A Step-by-Step Guide to Help You Decide Whether to Stay In or Get Out of Your Relationship*](#). The author draws on years of counseling experience to lead readers through relationship ambivalence. A careful list of 36 questions and self-analysis techniques designed to get to the heart of relationship and marriage problems is included. Straightforward advice designed for newer and older relationships. The book presents a plethora of information and experience in a clear, concise manner.

[*Should I Stay or Should I Go? A Guide to Knowing if Your Relationship Can—and Should—Be Saved*](#). Women involved in frustrating relationships will learn to tell the difference between a healthy-yet-difficult relationship and one that is really not working, recognize the signs their partner has a serious problem, stop waiting to see what happens and make their own growth the top priority, and prepare for life without their partner even as they keep trying to make the relationship work.

[*In Love and In Danger: A Teen's Guide to Breaking Free of Abusive Relationships*](#). With one out of 11 high school students experiencing physical abuse, this book helps teenagers who have questions better understand the causes and consequences of the abusive relationship they are in, learn what they can do about it, find help from parents and other adults, and discover how to build healthier relationships.

There are two well-known, free assessment tools available online that can help you understand the level of danger that may be present, but not always obvious.

[The Danger Assessment](#)

The free tool helps determine the level of danger an abused person has of being killed by an intimate partner. There are two parts to the tool: 1) a calendar and 2) a 20-item scoring instrument that uses a weighted system to score yes/no responses to risk factors associated with intimate partner homicide.

[MOSAIC](#)

Using a series of questions, this tool assesses how similar a situation is to other situations that have gotten worse. After creating a confidential account and answering the questions, a detailed report is compiled immediately and tells you how a situation compares to others like it, rating it on a scale of 1 to 10.

Sometimes lists are easier on the mind because they are uncluttered and poignant. If you'd rather read a few items vs. articles or books, these lists are for you.
